

Transportation permission form for Vail School District Engineering and Robotics Club / FIRST Team 1828

I/We the undersigned give permission for _____
to be transported to various Robotics Team events. Although transport to out of town
events will be by district vehicle (either bus or van) or commercial bus, I understand
that some local transportation may take place in private vehicles driven by a club mentor
or a parent. Transport from VAHS to the build room (distance less than 1 mile) may be in
the back of a pickup, but this will not be used for any other destinations.
